

PURUS® PREMIUM COTTON PICKER SPINDLE GREASE

DESCRIPTION: PURUS® Premium Cotton Picker Spindle Grease is a lithium soap product specifically designed

for use as a cotton picker spindle lubricant. This product provides improved performance in several critical areas common to most pickers. Premium levels of anti-wear protection, rust inhibition and corrosion protection are provided, as well as enhanced oxidation prevention. It is a semi-fluid product to insure complete protection and low temperature performance at harvest time. It is dyed green for easy identification.

APPLICATION:

PURUS® Premium Cotton Picker Spindle Grease will provide excellent performance in applications calling for the following specifications: JDN-360, JDN-305 or IH B-27.
